About Geoff

As Executive Vice President for VanTrust’s Dallas office, Geoff works closely with the VanTrust commercial development program team and leads the company’s efforts to secure acquisition and development opportunities in Dallas and throughout Texas. Geoff’s responsibilities include evaluating build-to-suit and speculative development opportunities, oversight of the design and construction teams, communication with municipalities and neighborhoods, project economics, as well as successful project delivery.

Prior to joining VanTrust, Geoff was Director – Development for Houston developer, Hines, where he oversaw the marketing/leasing for the Southwest region, land developments and industrial projects. Geoff also worked as Director of Real Estate Development for Opus West Corporation where he completed developments exceeding \$200 million in value. During his career, Geoff has been responsible for site acquisition and development of more than 5,000,000 square feet of Office/Industrial space.
