

Karl Ley, P.E.

Senior Director

VanTrust Real Estate, LLC

Development Services

Kansas City, MO

About Karl

Karl Ley is responsible for ensuring successful delivery of projects in a variety of product types and markets served by VanTrust Real Estate.

Karl has nineteen years of commercial development and construction experience in a wide variety of product types including office, industrial, retail, medical office, multi-family residential, and institutional. Prior to joining VanTrust, Karl oversaw project management for an integrated design-build firm where he was responsible for design management and project delivery. Karl has managed the procurement and delivery of over 2 million square feet of office, medical, and institutional space, in addition to his industrial experience.

Karl is a licensed engineer and Past-President of the Marquette Alumni Club of Kansas City. In 2008, Karl was recognized by the Design-Build Institute of America (DBIA) as a Designated Design-Build Professional™.
