

**Tyler Ford**

Manager,  
Development

VanTrust Real Estate, LLC  
Columbus, OH

**About Tyler**

Tyler Ford's involvement with VanTrust began while he was completing his MBA at Ohio State University where he worked in conjunction with the Columbus VanTrust team in completing a variety of development tasks. His role required the evaluation of new business opportunities, financial analysis, and preconstruction due diligence. Upon receiving his MBA with a focus in Corporate Finance, Tyler stayed with VanTrust to continue providing these valuable assets to the Columbus team. Tyler also supports leasing efforts on VanTrust projects.

Prior to joining VanTrust, Tyler worked in the silicones and adhesives division of Momentive Performance Materials where he sourced chemicals from national and global locations. He completed his undergraduate degree in Engineering at Miami University in Oxford, Ohio.

Tyler is actively involved in the Central Ohio chapter of NAIOP, serving as a Developing Leader, and is a supporter of the Springfield Symphony Orchestra.
